the what's a dame to do? game sheds some light on how girlawhirl's friends might handle sticky situations

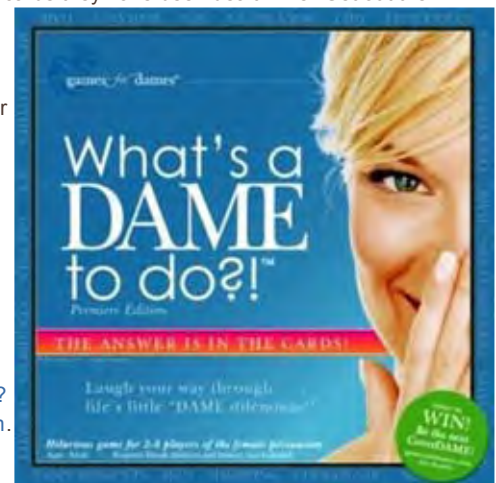

Mar 5, 2008

Girlawhirl thinks she knows her Super Pals well enough to determine how each of them would react in uncomfortable situations. But the new game **What's A Dame to Do?** puts Girlawhirl's knowledge to the test. At their next girlfriend gathering, instead of a simple game of chance, Girlawhirl's whipping out this new question and answer game to find out once and for all how well she really knows her friends. There's sure to be plenty of laughs along the way...

Each round one player is put on the spot with a "Dame Dilemma" - such as having to deal with the aftermath of letting an untrained friend highlight your hair, seeing a rude woman exiting the bathroom with her skirt tucked into her pantyhose or hearing her pants split five minutes into yoga class. Next, everyone else offers up reactions from the cards they have been dealt - like "Get out the scissors" or "Declare cocktail hour." Points are awarded to everyone who correctly guessed what the hot-seated Super Pal would actually do when faced with a similar dilemma. There are even bonus points awarded for the most hilarious possible solution to the posed problem.

In addition to finding out just how well she knows her Super Pals, Girlawhirl's sure she'll come up with some creative ways to handle sticky social situations.
