What's a Dame to Do?

Bring this to your next girl's night. *What's a Dame to Do?* (\$34) is the hilarious new board game just for women, that presents players with a challenge, ("What do you do when a guy 20 years your senior hits on you?") and asks each participant to decide how the dame in question would resolve said situation. Whether your group decides to use a hose or pretend not to speak English, we guarantee that you'll be laughing uproariously.
