super summertime giveaways! perfect for a day at the beach

with items from fitflops, sex and the city, origins organics, beauty blankets and more

Jun 5, 2008
 Girlawhirl not only shares her secrets with her readers; she's been giving away her favorite things since girlawhirl.com launched in September 2005. And while there have been some pretty spectacular giveaways in the past almost-three-years, this summer it gets even better. Girlawhirl announces three very special Super Summertime Giveaways, to be awarded at the end of June, July and August. Make sure you're entered to win!...

These super Summertime Giveaways are full of beach-ready treats to make this the best summer ever. Get ready for a day at the beach with FitFlops® to tone your legs, a soft cotton beach blanket from Beauty Blankets, skin soothers from *Origins Organics*™, sun protection from *Clinique*, and Tela™ Guardian to protect hair color from the sun's rays. Add *the* most sought after beach read: *Sex and The City: The Movie*. And there's more! Cool off with iced tea from Honest Tea and a refreshing spray from *Splash Cool*®. Not quite beach ready? Relax in the tub with bath fizzes from Elizabeth W and prep your hands and feet with *manicure and pedicure kits* from Red. When your beach day is over, spice up a backyard BBQ with *Wholmato*™ Organic agave-sweetened ketchup and *Fruit Stickers*; then challenge your friends with a round of the *What's a Dame to Do?*™ game. (It all adds up to over \$300).

[Sign up here](#), and be sure to include your full address to be eligible for Girlawhirl Giveaways! Add girlawhirl@girlawhirl.com to your list of trusted senders in your email program to make sure we can contact you if you're a winner. And once you've signed up once, you're always registered for all Girlawhirl Giveaways!

Forward to your friends and have them sign up too! This month, girlawhirl.com is donating \$1 for each new registered user (up to \$2000) to charity: water. They provide clean water for communities and people who would otherwise not have access to fresh water.
